

Make a Rhyming Poem About Og!

Let me tell you all
About Og the hedgehog
Who began every day
By eating a _____

Then he'd scurry outside
Take a seat by his _____
And shout "Oh hey friend!"
To his neighbor, the _____

Then he'd spend the morning
Working hard on his _____
Until dinner, when every day
Og ate three _____

And then he sat watching TV
With his plushy named _____
"Oh what a wonderful life!"
Would sigh Og the hedgehog
